Thank you very much for a lovely stay.
For nice and tasty food, a cosy room with a
lovely bed and warm water and great atmosphere.
Thank you for a nice horse ride with a lot of
action.

The best luck for the future and see you next
time we come to Nepal.

Thank you so very much for
four fantastic days!! We feel like
we just got started, and we wished
we could stay longer. The trip to
Ghat-Gai was amazing, a true adventure.
It was so good of you to let us come
on such short notice, and the package
you made for us was great. Everything
was perfect, and you're all so kind,
and we really want ~~to~~ to come back,
soon!!

Love,
Maren & Hege - Norway

PS. If Imena and Samsara should
disappear, they're probably on their
way to Norway
